

Maverick Volleyball Club

Parent Code of Conduct

Help us build a healthy youth organization: Follow our Parent Code of Conduct

Please help to ensure that your child gets the most of their experience with the club by following these simple guidelines.

Respect

- Please be respectful of all of the participants in our club as well as those that we interact with (coaches, volunteers, athletes, parents, officials, other teams and clubs, etc.) ... lead your child by example.
- We are guests in many of the facilities we use so please treat them like they are your home, and encourage your child to do the same.

Fair Play

- We teach our athletes to play the game in the spirit of fair play. Please provide encouragement for all participants and refrain from negative comments from the stands ... stay positive despite the adversity!
- We are judged by the quality of our character. Please help us to build a strong sense of right and wrong in our athletes by rewarding honesty and not accepting dishonesty.

With regards to practices and events

- Attendance by parents and guests at practices is at the discretion of the Coach. Please check with your coach if you would like to attend.
- If you do attend practices, please do not interfere or provide feedback on specific skills to the athletes (even if they are yours!).
- We highly encourage all parents and family friends to observe your child during competitions ... but please do not provide technical or tactical feedback during or in between performances. Providing positive, supportive and general fan support is your role.

- If you would like to become a coach, please contact us and we'll gladly provide the training.

What do you do if you disagree with something?

- Consider waiting 24 hours before taking action ... cooler thoughts often prevail. Please use your team Head Coach as the first point of contact for any issues with regards to the club or activities involving your child.
- If you are not satisfied, feel free to discuss the issue with any of the Club Executive (contact information is available on *contact us* website page). Our goal is to always improve the organization so we welcome your feedback.

The Mavericks strive to offer quality programs to give athletes an opportunity to play volleyball at many different levels. If we are unable to meet your needs, we will endeavor to find your child another opportunity to participate in the sport of volleyball in Ottawa.
